

## While You Were Working Remotely...

APG has implemented the following to help reduce the risks of spreading COVID-19:

### Personal Protection

- APG team members are wearing masks for your safety
- Engineers are wearing disposable gloves when working in your space

### Janitorial

- APG continuously maintained the full janitorial team - focusing their efforts on high-touch surfaces
- Contact us if you are interested in above-standard cleaning in your suite

### Elevators

- Please limit cabs to two (2) passengers to facilitate distancing

### HVAC System

- Building air is flushed entirely with fresh air daily
- All HVAC air distributions units have been cleaned
- Antimicrobial treatment has been applied to all air handlers
- All air filters have been replaced

### Amenities

- The café, fitness center, and conference rooms are temporarily closed

### Community

- Together with our café operators, **APG provided over 1,800 hot meals** to frontline healthcare workers in the ICUs at Northside Hospital

**Please demonstrate respect for your fellow tenants by wearing facemasks in the common areas, maintaining 6 ft+ distancing, and washing your hands**
